Partnership	Minimum 4 Partners – at least 1 based in one of 28 countries of European Union. <u>Typology of partner:</u> local public bodies, twinning committees, regional public bodies, federations/associations of local authorities; Not-for-profit organization representing local public bodies. <u>Other partners/stakeholders:</u> not-for-profit organizations working on the themes of the project.
Budget	Maximum € 150.000 – flat-rate calculated on the basis of n. of events, n. of partners and estimated n. of participants at each event.
Priorities 2016	<ol style="list-style-type: none"> 1. Understanding and Debating Euroscepticism 2. Solidarity in times of crisis 3. Combatting stigmatisation of "immigrants" and building counter narratives to foster intercultural dialogue and mutual understanding 4. Debate on the future of Europe
Objectives of the project	Main objective of the project is to start a debate and continuous dialogue, through specific detailed studies and discussions, at international level, about future of Europe and new challenges that Europe faces and will face to overcome an era of profound transformation. Re-discovering the identity of Europe, inside the Lab-Oratory Europe Network will be possible to build a new concept of Europe where every citizen, also the most negative and sceptic, will feel itself good like in your "home", in your "Abbey". Every citizens will have again a new faith in Future of EU and a new strong awareness of European Identity.
Deadline expression of interest	19th February 2016
